SAMSUNG & SCAVOLINI: BRINGING THE KITCHEN OF TOMORROW TO LIFE

In celebration of the launch of the company's stylish matte black built-in kitchen appliances, Samsung collaborated with Daniele Busca, U.S. creative director of the luxury Italian cabinet maker Scavolini, to dream up a kitchen that marries modern aesthetics with cutting-edge technology.

The matte black finish of the Samsung appliances **SET THE TONE** for my design—refined and modern just like Scavolini cabinetry.”

— Daniele Busca

Design: Daniele Busca of Scavolini USA; Cabinets: Scavolini Scenery in Dove Grey with matte lacquer finish, and Amadeus in grès porcelain finish

MIXING MATERIALS

is on-trend so I contrasted the contemporary look of the appliances and cabinetry with a reclaimed wood countertop on the island.”

— Daniele Busca

ON OR OFF AT A GLANCE

36" INDUCTION COOKTOP

The Samsung NZ9500K Induction Cooktop's innovative VIRTUAL FLAME TECHNOLOGY™ uses LED lighting located in front of the burners to clearly show if they are on or off so you can enjoy a more intuitive way to cook.

REVOLUTIONARY WASHING, NO PRE-RINSING

24" DISHWASHER

The Samsung DW9900M Dishwasher's WATERWALL™ TECHNOLOGY creates a sweeping wall of water with powerful vertical water jets. A revolutionary cleaning performance is achieved by spraying high-pressure water across a wider area, eliminating the need to pre-rinse.
